"Auld Lang Syne"

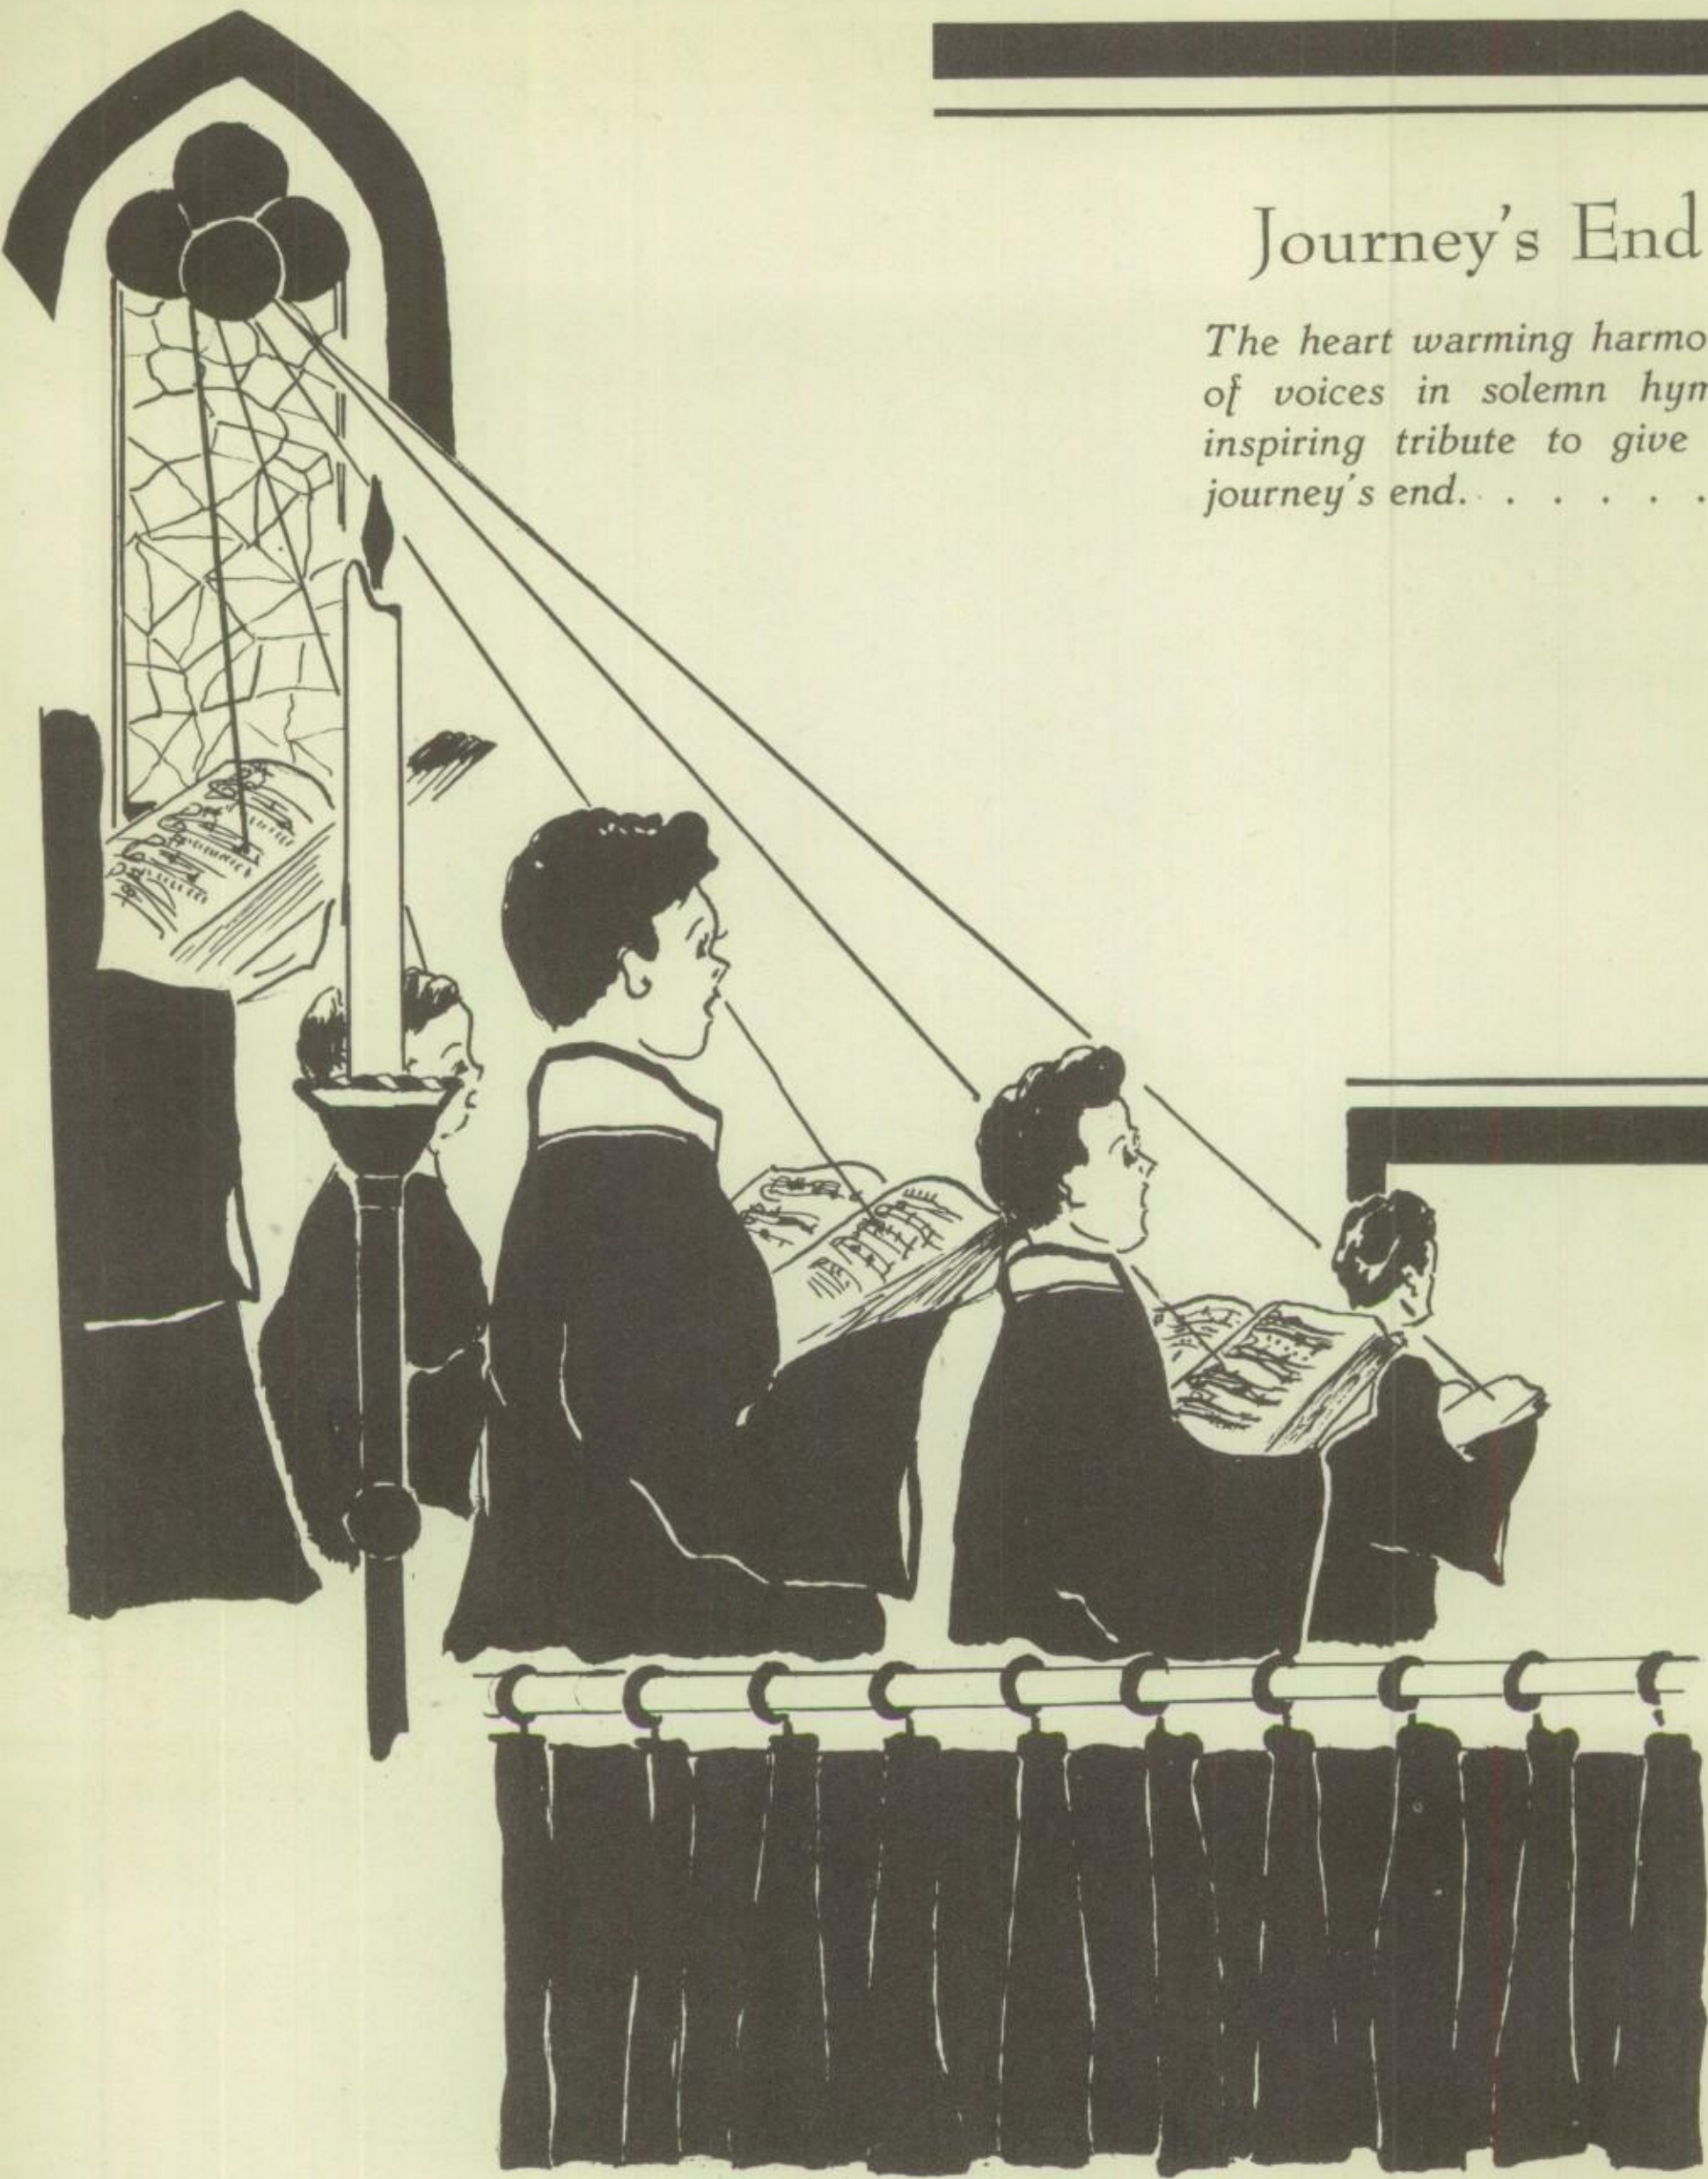

In appreciation we dedicate this 1947 Echo to you, Mr. John G. McBride, Central's oldest faculty member. As an instructor of drafting, mechanical drawing, industrial arts and engineering, you have solved the many problems sincerely and quietly.

The students and alumni of Central are indeed grateful to a truly great instructor and a true friend.

Journey's End

*The heart warming harmony
of voices in solemn hymn,
inspiring tribute to give at
journey's end.*

In Memoriam

With sad hearts, we learned of the untimely death of our friend and classmate, Clayton Robert Laurvick. A cheerful smile and a friendly greeting were his passwords which attained him many friends.

Whether work or play confronted him, he tackled it with inexhaustible zest and good sportsmanship. Everyone at Central who knew him, those who grew up with him and those that merely know him slightly, will miss him deeply in the years to come.

We dedicate this page in the Echo to him to live forever within its bindings; to live forever here, as his remembrance will, in our hearts.

"Someone to Watch Over Me"

Mr. Angus Rothwell

Mr. Rothwell returned this year after serving in the Navy. Confronted with many duties, he made time to partake in various events of the school. We are appreciative of his kind interest.

Mr. George Shaw

We welcomed a Central alumnus, Mr. George Shaw, as our new principal this year. Under his guidance the school upheld its high social and academic standings. May his future years be spent here among a grateful student body.

Administration

Many thoughtful words of gratitude and esteem go to the deans. The activities of the school smoothly progressed with their assistance.

Many thanks are extended to the office secretaries who worked with no complaints. This was a busy year, which was more successful because of their aid.

"It's All Over Now"

Seniors

MAVIS ANITA AAKER

"Mav" is the musical type. She belonged to the Freshman, Junior and Senior choirs, also the Musical Dozen. After college "Mav" would like to teach the "little kiddies" . . . kindergarten that is!

MARION LaVONNE ANDBERG

The saying "Holy Joe" is "Ma's" favorite expletive. She has been at Central only two years, transferring from Lake Nebagamon. Her idea for the future is to get a job, then marry.

ROBERT JAMES ANDERSEN

"Bob's" burning desire is to be a baker . . . he likes cream puffs! He has been enrolled in Central since his freshman year. Hi-Y and Thespians were two of his activities in school.

EDWIN ARTHUR ANDERSON

Eddie is one of those men who has no special likes or dislikes but is not too fond of school. "Chief" was on the intramural teams while here but his best sport is pool.

WILLIAM GORDON ANDERSON

"Bill" has attended Central since his sophomore year. He was one of the basses in the Junior and Senior choirs. "Bill" is undecided as to "where to go from here".

JOHN LEON ANDREWS

Leon was a member of the Senior choir, band and worked on the Devil's Pi staff while attending Central. This dark-haired senior has chosen the ministry as his vocation. Good luck, "Lee!"

LLOYD AUGUST ARNESON

Hunting takes up much of "Arne's" time. He has been a member of the S club and we all know he played heads up for Central. "Arne" has no future plans.

MARGARET SALLY ARNOLD

During her years at Central, Boosters and Student council filled much of "Mardee's" time. Now her thoughts have turned to college. "Mardee" is definitely on the short side but on her it looks good.

DOROTHY MAE ARONSON

"Dot" has a craving for the color blue and also for Billings Park. Photography is her hobby.

GEORGE LEE AUGSPURGER

"Buzz" is America's leading architect in the making. He was outstandingly busy as Student Council president and as a member of the debate team and radio commission. Oysters and blues singers are his only dislikes.

ALYCE JOYCE AUSTIN

Joyce is continuing her education by going to St. Luke's hospital for nurses' training. Music, malts, bowling and vacations are a few of her many likes.

PETRANELLA CECELIA AXELSON

Echo editor-in-chief was a more-than-you-know job, but "Pet" handled it well. S. T. C. will be lucky to get this sweet blond co-ed next year. She likes Minneapolis, hiking and journalism.

MARY ELIZABETH BAILEY

She is a red head without a temper. As a member of the S. C. C. and Junior choir, she worked very hard. The gang, hamburgers and music are among her likes.

**BEVERLY JOYCE BANKER**

"Bev," the dark-haired Centralite with the pleasing personality, is always very quietly (?) saying "I suppose." She was the bookkeeper for the *Devil's Pi* besides being on the editorial staff in her senior year. "Bev" was also a Coquina.

JOHN MILTON BARKER

"Jack" is that handsome lad who plays a saxophone in the Purple Vagabonds. He transferred from McCaskill in his sophomore year. Brown hair and eyes are his outstanding features.

DELORES RUTH BASTERASH

"Dot", as she is known to the gang from South Superior, is the girl with the beautiful wavy hair. She was a member of the Triple Trio and Senior choir. College is for Dot after graduation.

**HYMEN BEAR**

This fellow with the unusual name of "Hy," would like to go to pharamical school if it does not interfere with Uncle Sam's plans for him. His likes include Latin and Dad's car, but not Duluth.

GEORGE ELMER BENSON

"Bence," another of the many Centralites who hails from Billings Park, was a member of the Aero club and the *Devil's Pi* staff. His future plans are for college and a career in engineering.

WILLIAM NATHANIEL BENSON

The six footer who hails from Billings Park is "Bill." Running back and forth between the print shop and the *Pi* room took up much of his time, as he was a hard worker on the mechanical staff of our school paper.

ELSIE A. BERGGREN

"Tootie" transferred from Hawthorne two years ago. The Scribblers, Senior choir and L. D. P. took up much of her time at Central. Her ambitious plans for the future are aimed for medicine and an M. D. after her name.

CARL OSCAR BERGSTROM

"Scotty" has been a member of the Craft club and **Echo** staff, of which he was sports editor in his senior year. "Scotty" plans on going to college next fall. Do you wonder why he likes Chevrolets?

SHIRLEE MAE BICKFORD

This is the girl that is just plain "Bick" to everyone. She has taken part in the Athenaes, Musical Dozen, Triple Trio and Senior choir. One can see why she wants to be a music teacher.

ROBERT EDWARD BIGGS

"Bob," around Central to one and all, has been a member of the Hi-Y for three years. He would like to go to college, providing his professor gives him enough time off for hunting and fishing. How about that?

FRANK EUGENE BILLMAYER

"Fritz," a member of the Shutterman club, acted as president of the camera men in his senior year. His favorite expression is: "Ma, am I a moron?" "Fritz's" ambition is to be a chemist for DuPont.

EVERLY JEAN BLOOMQUIST

Better known as "Bev," is the vivacious blond whom you see rushing around school. "Bev's" activities at Central have included Coquinas, Senior band and Devil's Pi staff. Chicago and gardenias are her chief likes. Right, "Bev?"

DONALD BOTTOLFSSEN

"Bottolie" was one of our outstanding men on the Viking gridiron this year. He definitely does not like girls but a night with the boys . . . that is different. The Student Council and S club kept him in the spot light, too.

ELIZABETH ANN BOUCHNER

"Betty" plans on being a stenographer, so of course one of her many likes is typing. Bud, Nebagamon and hot fudge sundae are also on her list of likes. Don't offer her chop suey though cause it is definitely no go.

FRANKLIN JAMES BRADSHAW

Bearing the title of Viking Day King was "Corky" Bradshaw. That lucky queen! He also sang with the Junior and Senior choirs. For future plans he would like to go to the University of Wisconsin.

MERTON ROBERT BRANDT

"Mouse" worked in the visual aid room during his time at Central. His favorite expression is: "Who is she?" He plans to go to Alaska in the near future . . . Good luck, "Mouse."

FLOSSIE HENRIETTA BROWN

"Hedy" is one of the smaller girls at Central, as she is only five foot, two. Upon graduating she would like to go to college and nurses' training, finally becoming an air line hostess. Good flying!

SHIRLEY ANN BROWNLEE

The girl with the cheery smile for you is "Shirl". Just listen for "Oh-my-gosh" and there she is. Her future plans are indefinite as it is a toss between marriage and college.

LYNNETTE NINA BURZYNSKI

"Buzz" has been a member of Central's Stringed Ensemble, orchestra, and the Athenaes. Her favorite expression is: "Come on, let's get out of this fire trap!" After graduation "Buzz" is going to be a nurse.

FRANCES EDWARD BUNNELL

"Frank" was a newcomer at Central this year, having transferred from Lake Nebagamon. Mechanical work receives much of his attention but he also likes to "fool around" with bugs.

**CALVIN COOLIDGE BURGRAFF**

Better known as "Cal" to all the gang, he came to Central from McCaskill in his sophomore year. His likes are hunting, fishing and horseback riding. To open his own business is his ambition.

LEORA ZABELLE BRUNSWICK

Music and art leads Leora's list of likes. This small black-haired beauty's secret ambition is to become a portrait painter and paint Cary Grant. We bid a fond farewell to a girl we know will succeed.

LOIS MAE BYRNES

Lois came to Central as a sophomore, was a member of the Athenaes, and as a sophomore was a Junior Red Cross representative. Wishing to go into secretarial work after she graduates, Lois will attend D. B. U.

**DOLORES MAY CAMPBELL**

"Tootie" belonged to Freshman and Junior choirs. She is definitely a music lover; modern, that is. Her favorite people are those that are carefree and happy; therefore, if you see her brown head bobbing, greet her with a smile.

PATRICIA LOUISE CHILLMAN

"Pat" is the proud owner of a Craft club sweater and has belonged to that club and Senior orchestra for three years. She likes all sports. After graduation she will be a secretary.

FLORENCE EMMA CHRISTIANSON

"Flo" only attended Central for two years after transferring from Wentworth but in that time accomplished a great deal. One important decision in her life was to become a missionary. Good fortune, Florence, in a very benevolent profession.

RICHARD JAMES CHRISTENSON

"Dick," a collector of Sinatra's records, has belonged to choir for four years. By now he ought to be able to compete with "Frankie" himself. "No future plans," he says, but music will enter into them.

ELINORE MARION CHUDECKE

"Eli", with the medium brown hair, was only here for a two year stay, although she was more than busy in that time. A member of S. C. C. and choir, she also helped in the treasurer's office.

DOROTHY SEVELDA CLOUTIER

As "DoDo" belonged to both Junior and Senior choirs, we can well guess she is also a music lover. Her hobby is reading and the piano. Nursing is the well-chosen profession she has in mind.

MURIEL VALOICE CIOCARRELLI

"Chick" has her future mapped out to include singing and dancing as a career. Of course, from this we may surmise that her hobbies are singing, dancing and the piano. We wish you much success.

ELSIE CHRISTINE COLANDER

"Blondie," as she is called, will probably spend her future holding hands (with her patients, of course). She plans to be a nurse. She can probably amuse them by practicing her hobbies.

NANCY MARIE CONNESS

An addict of the pen, "Connie" is aiming for a B. A. degree from Marquette school of Journalism. Her experience as Pi desk editor gave her a taste of the future. She was active in the Boosters, Scribblers, debate and speech.

VENITA DARLENE CYR

"Neda" has attended Central since her sophomore year. Lafayette high school's loss was our gain. She loves letters, birthdays and dancing. Her future will be spent taking letters and the like.

BARNARD ERVIN DAHL

"Barney" was a member of the Shutterman club while attending Central, and practiced photography as a hobby. In line with his like for science, he plans to go on to the University of Wisconsin at S. T. C. to become a druggist.

LOIS ELAINE DAHLQUIST

"Hink" was only here for a year and a half after transferring from Port Wing. She likes Bing, Perry and Duke Ellington. Lois plans to be a nurse. You can never tell, Bing might break a leg.

NATHALIE MATHILDA DANIELSON

Nathalie, after hailing from Bennett, was only with us for two years. Better late than never, though. Her likes include hot fudge sundaes, English and Latin.

WALTER PETER DAVIDUSKI

"Dovey" left us in October to join the Army which will be his career. Six feet tall, brown hair and eyes are his outstanding features. Women who smoke are his only dislikes.

SHIRLEY JEAN DAVISON

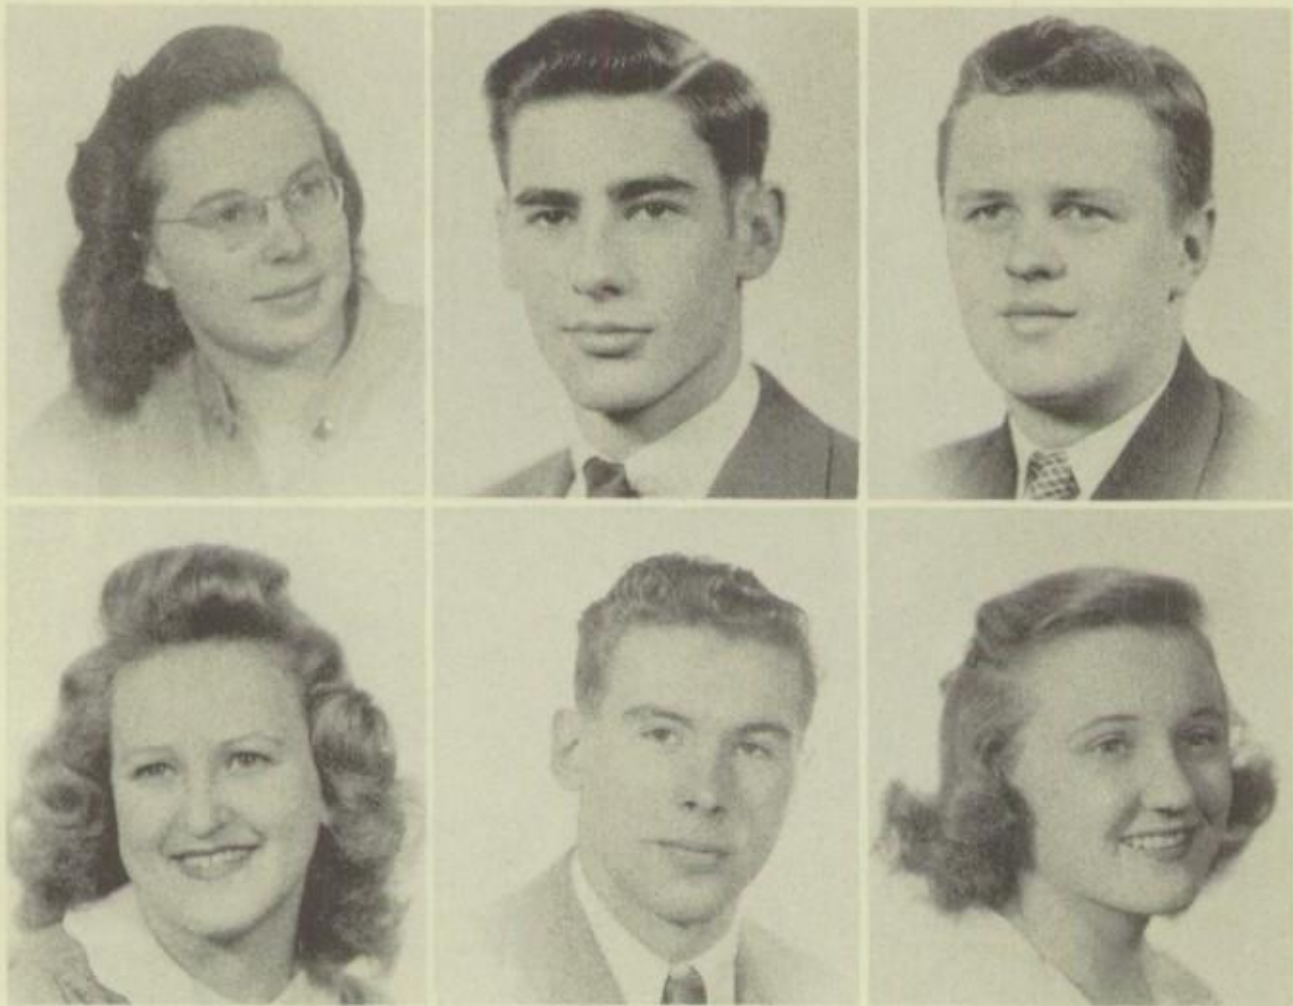

This was "Babe's" first year at Central, having transferred from Fresno, California. She is five feet, two inches tall and has dark brown hair and blue eyes. "You make me so mad" is her favorite expression.

FREDERICK CHARLES DEAN

"Oh, my aching back" is the expression that you can hear "Buzz" using all the time. He likes hunting, hot fudge sundaes and Saturday nights. His only dislike is school.

ROBERT FRANK DeGAETANO

Shutterman, Visual Aids and Craft club were "Diggers" main interests here at Central. Playing the piano and photography interest him a great deal.

ANNA MAE DeROSIA

"Annie" is the quiet blond senior who came to Central this year from Iron River, Wisconsin. She has a definite like for art and sewing which led to her choice of fashion designing as a career.

JAMES HORACE DILLON

"Pickles" has taken part in the Purple Vags, Pep band, Senior orchestra. As sports editor of the Devil's Pi in his senior year, he worked diligently. Some of his likes are Dorothy, gum and classical music.

MARIANN DORAN

Mariann served as president of the Booster club and was on the Student Council for two years. She is very interested in speech and has been in district, regional and state contests. Auburn hair is one outstanding feature of this smiling Centralite.

DOLORES JOAN DOREE

"DeDe" to her friends, and that means everyone, has brown hair and eyes. She is going into nurses' training following graduation. "Well, for the love of Pete" is her favorite expression.

JOSEPH STANLEY DZIKONSKI

After graduation "Joe" plans to go on to the University of Wisconsin and then settle down to the peaceful life of a bachelor. "Look at that blond" is his favorite expression.

BETTY LU DURST

"Beep" likes to ice skate and play basketball. She plays violin in the stringed ensemble and orchestra. Always agreeable and friendly are the outstanding qualities of this active blond girl.

HELEN LEONE ECKHOLM

Always seen with Troy is this vivacious girl with the Hedy Lamarr hair. Athenaes, Scribblers, Echo staff and Student council held her interest in school. Going skiing with Troy, photography and Aitkin are "hits" with her.

MARVIN EUGENE EGDAHL

"Marv" worked on the student event plan and defense stamps while at Central. He is one of those people who likes the quietness of the library to use it for sleeping purposes.

EDITH ELAINE ERDMANN

Stout Institute is where "Edie," third hour library assistant, is planning on going after graduation. Her likes are roller skating, bowling, horseback riding, Bud and food. Sewing is her hobby.

VERNON LEROY EMANUELSON

"Sonny's" mind was always on "Myke" but he found time for Purple Vags and Hi-Y. He has a craving for pie, although we personally think he is a "cake eater."

GILBERT JAY ERICKSON

"Gil" transferred from Wentworth in his junior year. Blond hair, blue eyes and a manly six feet in height is "Gil." He likes all sports but dislikes school and female smokers.

HELEN ADELINE ERICKSON

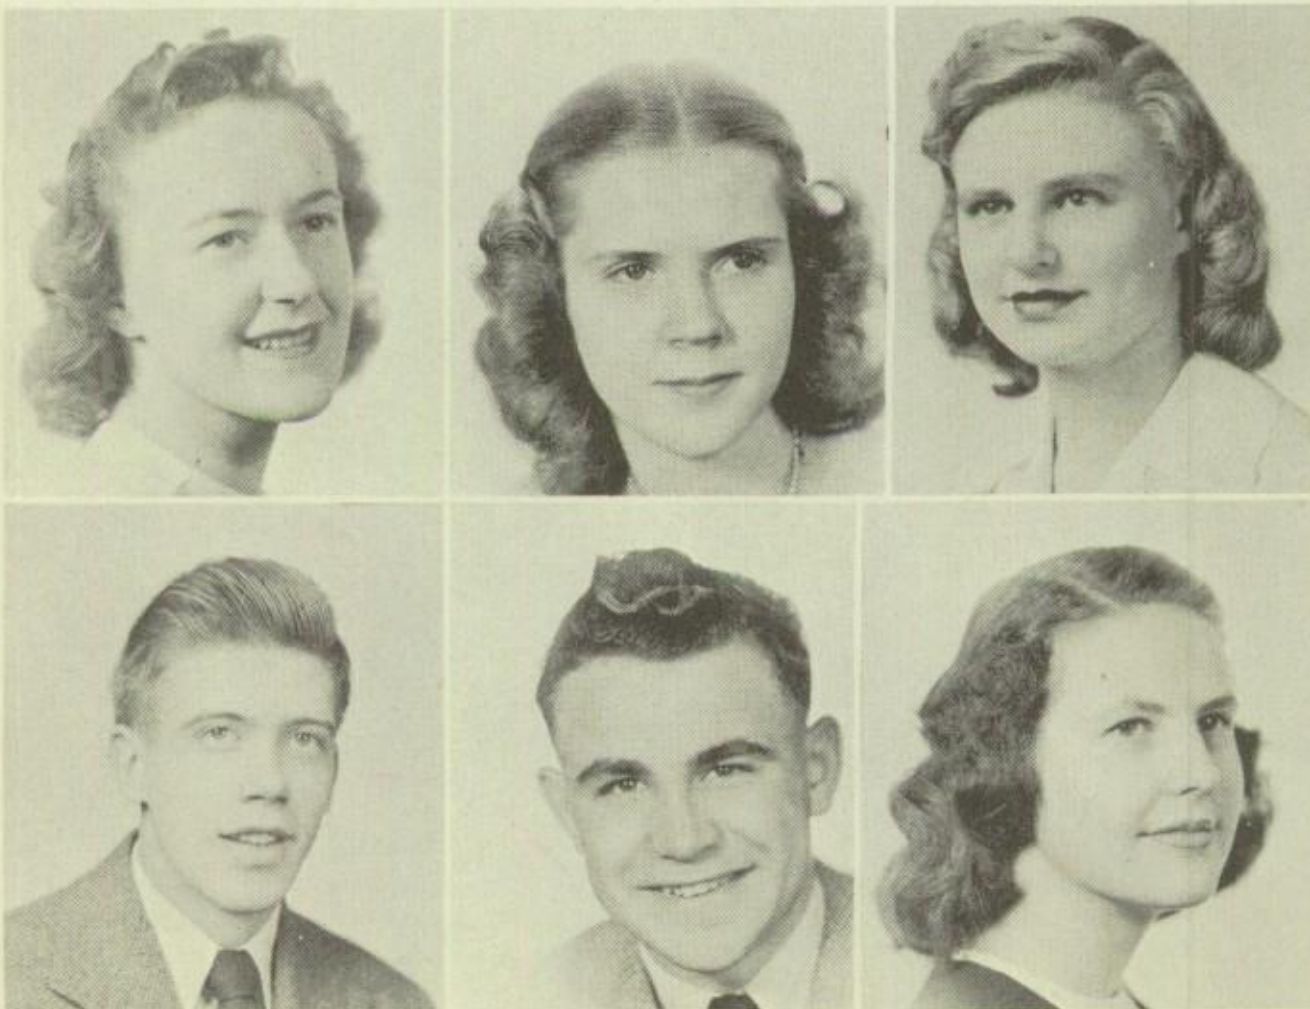

"I could just lay down and die" is Helen's favorite expression. She has light brown hair and is a mere five feet tall. Bowling and horseback riding are the likes of this tiny Centralite.

MARIE ANN ERICKSON

Marie has had a full four year program at Central. She played in Senior orchestra, was president of the Athenaes and a member of the Student Council. The brain under that flaming red hair has ideas about being a laboratory technician.

VIOLET JUNE ESKELSON

Blond, blue-eyed "Vi" has been at Central for two years. With music heading the list, her likes include reading, dancing, hiking, and picnics. She plans to be either a secretary or a nurse.

ROBERT ANDREWS FALSTAD

"Bob," who has attended Central since his sophomore year, hails from Rice Lake. He is a Hi-Y member. The medical and engineering careers appeal to him.

JAMES JOHN FARMAKES

Known as "Greek", Jim added spark to the Viking gridiron during his four years at Central. He was also a member of the Shutterman club.

DELORES FLORINE FASBENDER

"Fass" is from South Superior and is proud of it. All of the latest novels make reading her favorite pastime. She was a gym helper and a homeroom officer while at Central.

DELORES MAE FINCKLER

"Fink" was a member of the Senior choir and the S. C. C. Her favorite expression is, "Jeepers." After graduation, Delores plans on a little brain work at college.

IRENE BERNICE FJELLING

Irene was a four year student at Central. She has been a member of the Junior and Senior choirs since her sophomore year. This girl with eyes that match her brown hair is another "disc" collector. She plans to go on to college.

ARNOLD EUGENE FLAGSTAD

"Arny", attending Central for four years was on the Prom committee. He, ambitious one, does not like getting up in the morning and studying. After graduating he plans on going into the Army.

**FLORENCE MAY FOWLER**

An example of advancement is "Flo" who worked on the *Devil's Pi* as a reporter in her freshman year, as a sophomore she became copy editor, as a junior worked to desk editor and in her senior year ascended to be an efficient, capable editor-in-chief.

GERALD FREDERICK FRANZEN

Flying must be in his blood, for that is "Jerry's" hobby, he is the Centralite most likely to fly to success. Wishing to become a pilot, "Jerry" will attend college in the immediate future.

HERBERT LAWRENCE FRANZEN

That six foot fellow that you have seen around Central's halls for the past four years must have been "Herb". In the years to come "Herb" wants to be a mechanic. Stamp collecting is a hobby of his.

**JOHN CURTIS FRITSCHLER JR.**

John came to us all the way from Fertur high school, Louisiana, two years ago. While at Central, John found time for Hi-Y, *Devil's Pi* and, we must add, Corky's and Harry's. John likes Hi-Y and chemistry.

JOHN WILLIAM GANGNON

Skating is "Jack's" hobby and after graduation he plans on joining the Shipstead & Johnson Ice Follies. Other than skating, he likes hamburgers and nice girls. While at Central, "Jack" belonged to the Scribblers, Shutterman and Senior choir.

ADELINE LOUISE GABRYS

"Pee-Wee," busy in the Freshman, Junior and Senior choirs, was also an active Athenae. Mary Margaret is her favorite like along with South Range (?). It seems conceited boys are tabu with her.

JOHN FRANCIS GLONCHAK

"Jack" is one senior who likes assemblies. He started Central as a freshman and plans to go on to S. T. C. His special saying is "Who is who, and what of it?"

WILLIAM RAYMOND GLONEK

"Bill", a carefree character with no particular hobby, entered Central as a freshman. As far as he is concerned, girls who resemble smokestacks are strictly tabu, while sports are great.

MELVIN ALBERT GOEKE

"Give me five minutes more" is the slogan of "Goeke." His abilities were displayed on the Prom decorations when beautiful palm trees were created. "Goeke's" future is a deep, dark mystery, but he desires to eat about eight times daily.

LAVONNE MABLE GOEKE

"Goeke's" years at Central have given her one ambition, to be a stenographer. A friendly senior with eyes of blue, and beautiful brown hair describes her. Her likes include "Les" and skating.

BYRON STUART GOLDSTEIN

Skating, L. D. P., football and especially Echo photography took up much of Byron's time at Central. Like most fellows he likes girls and vacations, but detests Monday mornings.

JOSEPH ANTHONY GONDEK

"Slim" is five feet, eight inches tall and has brown hair and eyes. Sports take a large part of his spare time. He must be very agreeable as he has no dislikes. "Well, what do you know, Joe?" is his favorite expression.

ROBERT JOHN GRABER

After transferring from Washington high school in Kenosha, Wisconsin, during his freshman year, "Bob" became a regular member of Central. He advocates a good game of golf, but corny jokes are tabu. After graduation he will attend business college.

MARJORIE JEANNE GRADINE

Whenever one hears "Stardust" or "Sentimental Journey", look for the girl that is swooning and it is Marjorie. Third hour probs and the Athenaes head her list of favorites. S. T. C. is included in her future plans.

ROBERT FRED GUENTHER

After a year in California, "Bob" returned to spend his third year at Central. As a sophomore he belonged to the Aero club. Basketball games and skiing are tops with him.

VINCE DONALD GVORA

One of Central's ex-servicemen, "Bud" has attended Central for four years. His spare time has been well used in our sports department. Three years were given to intramural basketball, one to football.

LaVERNE HAGBERG

Blond, blue-eyed LaVerne has been a four year student at Central and a loyal Coquina for three years. Her chief ambition is to find herself a good man so she can plan for the future.

JEANINE ANNICE HAGLUND

"You all" probably know that Jeanine was transferred to Central from Louisville, Kentucky. This five foot, seven inches tall gal has good intentions of being an interior decorator.

DOROTHY GRAZIA HAGMAN

This gal who hails from Billings Park, has been working on the Devil's Pi for two years and was circulation manager in her senior year. She was also in the Scribblers. Classical music is rated high by her.

MARVIN HENRY HANSON

Since the ninth grade, "Marv" has been attending Central. He likes basketball, football and pool, but his pet peeve is golf. He has no future plans, but "He'll get by."

**JOHN CLARENCE HAUGLAND**

S. T. C. certainly will be lucky to have "Johnny" in its midst next fall. "Johnny" is a lover of sports—all kinds and has shown it during his three years here at Central.

LOIS IRENE HAWORTH

Roller skating heads Lois' list of likes. See you at the rink sometime, "Lo". As for future plans, she intends to go to college.

GLORIA GAYE HEGLUND

The girl with the lovely brown hair is Gloria; her friends call her "Glo". A nursing career is in her plans for the future.

**WILLIAM OTTO HELWIG**

Hunting rates tops with "Bill" as a hobby. Other things he likes are science, girls, and being able to get the new car. After graduation "Bill" will attend S. T. C.

BERNICE MARIE HILDEBRANDT

"Berny" with the light brown hair and eyes was transferred from Lake Nebagamon. Above all things she says she dislikes studying.

EVELYN CAROL HEMINGSON

"Ev" has been with us for three years, hailing from Patzau school. Like most teen-agers, "Ev" likes dancing and sports. She plans to go into commercial work.

ALLEN STANLEY HILL

You have probably guessed that work is "Al's" hobby . . . for you see him most anytime slaving away at a local ice cream store. Allen wants to go on to college to study engineering.

**JOYCE ERLEEN HILL**

If her future plans take hold, Joyce will be the secretary of some lucky businessman. Joyce has worked in the treasurer's office. She also has been a member of the S. C. C. club.

**BETTY LOU HINMAN**

Betty entered Central in the tenth grade from Spooner high. She has spent much of her time in the treasurer's office. We hope Betty's plans to be a beauty operator materialize.

**MILTON RAYMOND HINZ**

"Ellie" has several likes which we all well agree on. They are: the Athenaes and study hours, but for her own personal likes—just George. Need I say more? She has been a Centralite for four years and was a member of the Student Council.

**THOMAS MILROY THOMPSON**

The friendly fellow with the two-toned Hudson is none other than our "Tommy". After being in Uncle Sam's Navy for two years, he has returned to Central. "Tommy" was a member of the Visual Aids during all of his four years at Central.

NORMA LEONE THORSON

Naturally "Squirt's" favorite subjects would be physics and Latin, as she plans to be a nurse. Besides her studies she finds time for music and sports, both of which are her hobbies.

DONALD THOMAS TIBBS

"Don," who is a proud member of our football squad, has been a Centralite for four years. In this time he has acquired several likes, which include "Greek" and Wayne, 12th and Grand and "Neda."

ROBERT CLARENCE TORVUND

"Torv" just wants to keep singing and we all agree that this is fine. "All that meat and no potatoes," is what you would hear if he were struck with a puzzle as he is a lover of crossword puzzles.

**WALLACE JEROME TUBBS**

"Women are the root of all evil", is probably the expression you would hear from "Tubby". He likes music and plans to be the song writer of the future. Science is another of his favorites.

HERBERT OLAF UDEEN

Blond-haired, blue-eyed Herbert has the very interesting and profitable hobby of mink farming. Coming from the Billings school, he was only with us for two years.

ERNEST ALBERT TYYKILA

"Ernie" came to us from Maple corner school in his junior year and has fought hard through his last two years, but has finally made it. It is really not as bad as all that because "Ernie" is now a college boy.

SHIRLEY MARGARET ULVI

"Sis" likes caramel sundaes, skirts and sweaters, but her pet dislike is tall girls. Of all things just to be different, she plans to be a housewife.

HARLEY ROLLIN WALDRON

"Walsie" says his future plans are indefinite, but at the present he likes chocolate malts, roller skating and Darlene. Who knows, Darlene may also be in his future plans. How about that "Walshie?"

BURT ALLAN WHITE

As one of "Tweet's" likes, he has his eye on Henrietta above other girls. "Tweet," a Centralite for four years, is a member of the Craft club and Scribblers.

**ARDIS JOYCE WIGGINS**

Ardis came from Minnesota three years ago to attend Central. This girl really likes typing and finds dancing and movies most enjoyable. She is undecided as to a career.

EMMA ROSALIE WIGGINS

Weekends in Swan River, Minnesota, besides chocolate malts, French fries and Saturday nights rate high on her list of enjoyments. This was "Wiggle's" third year at Central as she transferred from Aitkin high as a freshman.

**JAMES EDWARD WILLOUGHBY**

"Jim" returned to Central after spending two and one-half years in the Navy. His hobby is none other than sleeping.

GERALD ALLEN WITTKOPF

"Hicups" plans either to enter the Navy Air Corps or college. He likes women in general, band and model T's, but dislikes staying home nights.

**RICHARD WARREN ZIMMERMAN**

"Zeke," the tall lad of six feet, two inches, has brown hair and beautiful blue eyes. As yet he is undecided about his future plans, but whatever they will be, he should be successful.

JOHN MARTIN ZWAKMAN

A member of the Shutterman club, "Zwaky" has made a hobby of photography. College or the service will occupy his time after he graduates. His one main dislike is girls who smoke.

BRUNISLAUS MATHEW LUGOWSKI

After two years in the Navy, "Benny" has returned to become a Central alumnus.

The officers chosen by the freshman class proved themselves efficient and quite capable of representing their class this year. Holding the presidency was Herbert Hemmila, with Lola Hemming as vice-president. Elected to the office of secretary was Ila Rae Waseen and the treasury was filled by Audrey Forstrom.

The sophomore class chose Delores Kaner to represent them as president. Bruce Carlson was vice-president and Phyllis Culhane served as secretary. Charles Marcoe handled the finances for the class.

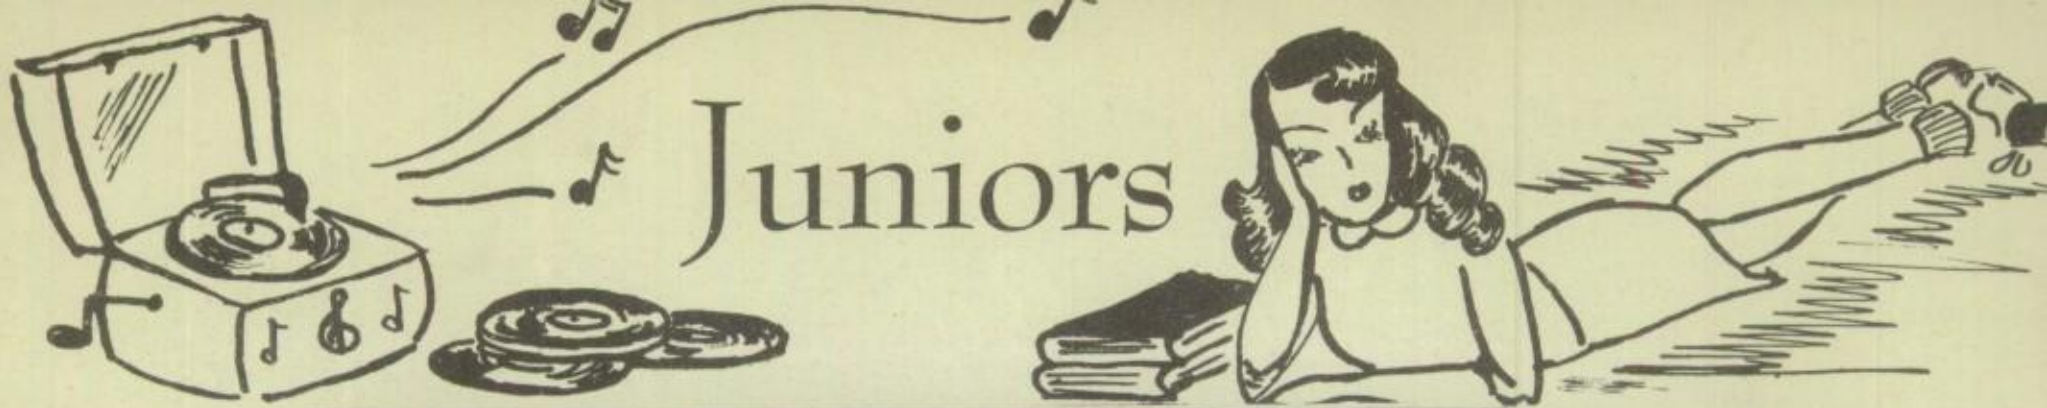

Doing a marvelous job of handling the junior class were the officers who were chosen last fall. Popular Art Carlson was elected president. Working with him as vice-president was Phyllis McNaughton and as secretary, June Peterson. The treasury was taken over by Betty Eves.

CENTRAL'S CONGRESS

Undoubtedly you have wondered about the sound of diplomatic voices that came from room 309 during first period every Tuesday. It is time you were set right on the matter, for it was none other than our Student Council, discussing the passing of new laws and the adopting of new policies in running the school.

Serving as Council president this year was George Augspurger. The vice-presidency was filled by Toby Marcovich and Harriet McCann proved the efficient secretary-treasurer.

This year, Superior Central received the honor of being the place of the Northwest Federation of Student Councils Convention.

George, Harriet, Toby.

A sight to behold.

GROUP AIDS THE NEEDY

The Junior Red Cross began their activities for the year with a membership drive. Miss Jane Prohl's Home Room 127 was the winner with \$24.84. The whole school netted \$152.

Another project was correspondence with a foreign country. With the social science classes, the group made a booklet of Superior which was sent to this country. In a "Children's Fund" drive, money collected went to help needy children all over the world.

The Junior Red Cross was headed by Arthur Solem, with Beverly Banker as membership chairman, Barbara Zank as publicity chairman and Miss Alice Lomoe as adviser.

THE ALLURING ATHENAEAS

This enthusiastic group of girls accomplished much during the year. Their's was the project of decorating the goal posts with brightly colored streamers for all of the football games. Two pep assemblies, a Christmas tea for their mothers, and their annual popular Sweater dance made their '46-'47 year a complete success, with roses to adviser, Mrs. Allie Johnson Trester and to her successor, Miss Greta Tetzler.

Here are the girls who make the freshmen feel welcome at Central. Besides giving the freshman tea, sponsoring a pep assembly, putting on the festive Christmas dance, they sold you your Booster pencils and gave the end of the year faculty tea. SECRETARIES ARE BUSY PEOPLE

In the Student Commercial club are the future secretaries of the business world. The purpose of the organization is to stimulate interest in commercial work.

Activities throughout the year that helped to make it enjoyable for every member included field trips, social events and candy sales. An initiation tea, a Christmas party and a formal banquet at the end of the year headed their calendar.

Various topics and problems provided a very busy year for the members of the debate team. Much was learned by all, including a certain amount of humor provided by participants.

Radio Commission

*"Where Or

MEET OUR ANNOUNCERS

The radio commission consists of students picked from a wide field of candidates for their diction and voice qualities. Some day Central alumni may hear a pleasant voice on the radio that sounds familiar, and realize that it is one of our old radio commissioners. Clear tones, pronunciation, and thought emphasis are a few of the qualities that are looked for when judging for radio commission. These commissioners have a right to be proud of having this job, for they had to work hard to get it.

Working hard to make their concerts enjoyable to everyone was the senior orchestra of Central high school. Under the fine leadership of Mr. S. Brinley Shaw, the entire orchestra is to be congratulated on their excellent music.

NO HOLIDAY FOR STRINGS

A traditional organization of the school made up of members of the Senior orchestra, the Stringed Ensemble consists of first and second violin, viola, and cello. The group, under the direction of Mr. S. Brinley Shaw, played at many functions outside of Central, proving very capable in providing the best in entertainment.

Standing: Rydeen, viola; Lange, piano; Neimann, violin; Ekholm, violin.
 Seated: Burzynski, cello.
 Absent when taken: Erickson, viola.

VAGS, BAND OF THE YEAR

Central's name band, the "Purple Vagabonds," played for all school dances this year except the Prom, besides filling many outside engagements. A few noon hours a week were devoted to playing in the gym for those who wanted to dance. By charging a few cents admission they obtained money to buy bow-ties for band members. We hope the band will be as good next year after bidding the senior members goodbye.

Central wouldn't seem the same without its traditional organization known as the Triple Trio. Their carefully blended voices add color to church affairs, teas and various programs. Under the very able direction of Louis Meier, this group has ended a varied and successful year.

June and Don

Lenora and Danny

A majority of votes gained Roy Sibila the title of Prom King for the 1947 Junior-Senior Prom. As his queen, he chose petite and modest Dorothy Hagen, who completed the duo of a royal pair. Together they shared the thrills of ruling over Prom activities but the biggest moment came with the crowning.

Roy and Dorothy were crowned by last year's king and queen, John Haugland and Margaret Murphy. Attendants of the royal couple were Don Susens and Danny Winters. Don escorted June Peterson while Lenora Carlstrom was Danny's choice.

COUNCIL GOVERNS WELL

Five states sent representatives to the Northwest Federation of Student Councils which held its thirteenth annual convention at Central on Jan. 10 and 11. The theme of the convention was "Student Government, an Aid in Education."

The convention opened with an assembly in the auditorium on Friday morning with the convention president, Ross Farmer, Roosevelt high school, Minneapolis, leading the pledge to the flag. The Rev. A. C. Abrahamson led a prayer followed by the welcome addresses of George Shaw, principal, and Angus Rothwell, superintendent of schools.

Sectional meetings were held all afternoon for the discussion of student problems and student council work. A dance, held that night for the delegates and students in the gym, had "Winter Time" as a theme with our own Purple Vabagonds providing the music.

The convention closed Saturday with an assembly to elect Faribault, Minn., as the place for next year's convention.

New uniforms and clever cheers were combined by the cheerleading squad as they guided Central in supporting its teams. The costumes, contributed by the Student Council, added much color and zest to all the sports events. The leader of the squad, Donna Peil, and Mrs. Frances Juel, their adviser, spent many hours instructing the squad in new cheers which made each game alive and exciting.

The veteran members of the squad, Donna Peil, Eleanor Majeski, Dick Kastner, and Tom Sauter, were always out in force along with the initiates, Virginia Daviduski, Mary Ann Hill, Joan Thompson, and Charlene Johnson.

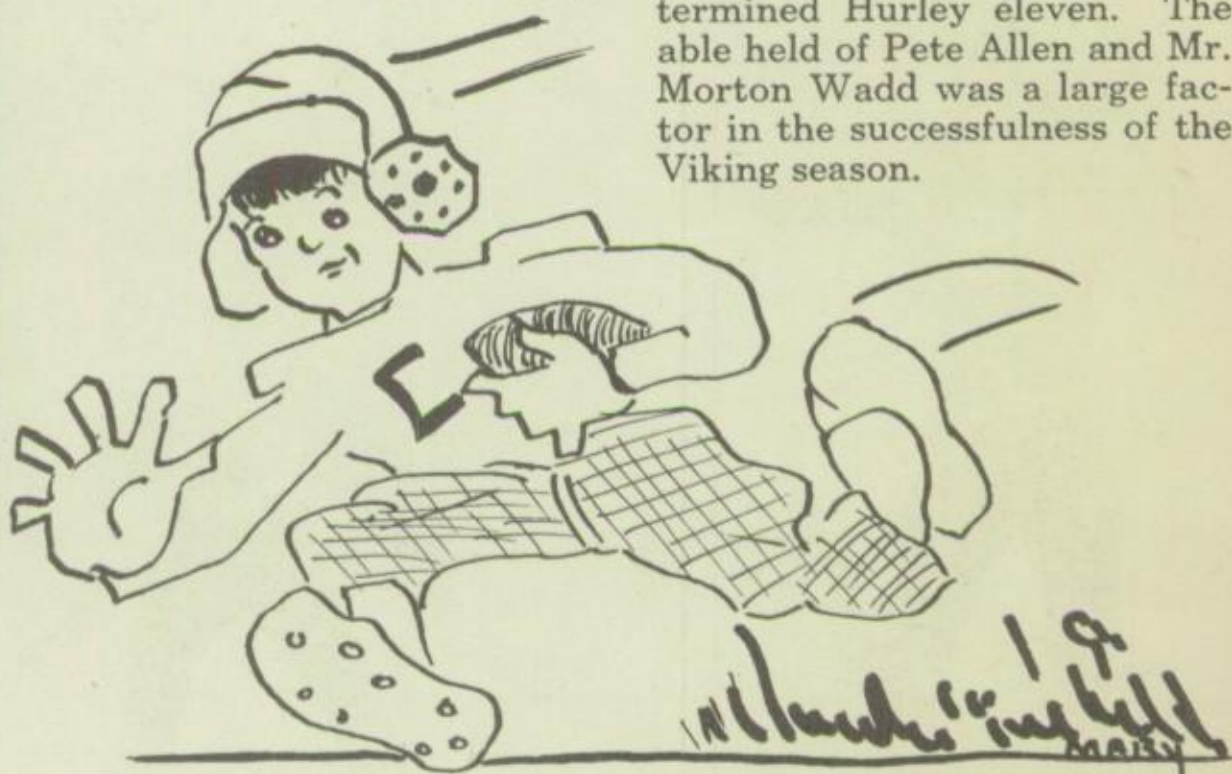

S Football

With Coach Harry Conley at the helm, the Vikings completed another victorious season on the gridiron. In their first tilt the Vikings came out on top by a considerable margin. Denfeld next held Central to a scoreless tie. Ashland suffered the onslaught of the Vikings; they, too, bowed to the Conleymen. Bowling over East the Vikings moved on to Duluth Central where they suffered their only setback of the season. Bouncing back from that the Conleymen took the measure of Eau Claire and later wound up the season by setting back a determined Hurley eleven. The

able held of Pete Allen and Mr. Morton Wadd was a large factor in the successfulness of the Viking season.

EAST TRAMPLED BY VIKINGS

The Vikings met their chief rival when they clashed with East. Central ran up its first two touchdowns in the first half but the enemy returned in the second half to give them real trouble, East scoring one touchdown. Moe and Peterson scored for Central.

DULUTH CENTRAL SCORES OVER CONLEYMEN

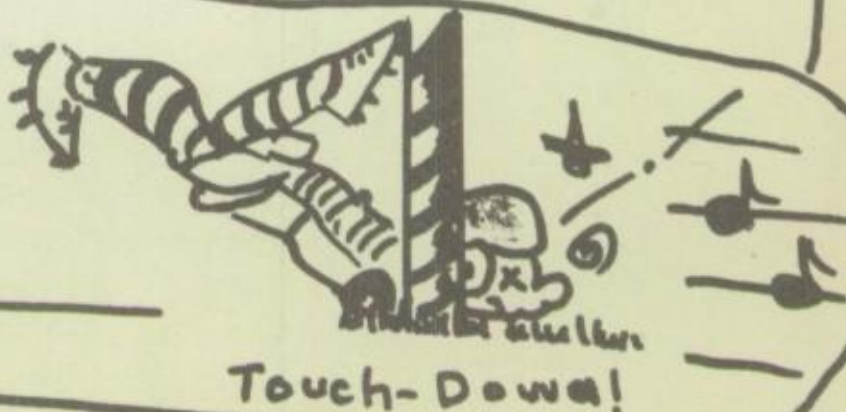

The Vikings suffered their first defeat when they clashed with a powerful team and could not make enough yardage to bring home a score. A few rugged downs gave the enemy their scoring opportunities.

EAU CLAIRE STOPPED BY VIKINGS

The Agates opened the game with pep and rolled up a 13-0 margin in the first few minutes of play. After this surprise, the Vikings started to move and two touchdowns were scored by Harter Peterson. The educated toe of Don Bottolfson cinched the game.

HURLEY TROUNCED BY PURPLE AND WHITE

To wind up a very successful season, the Vikings met Hurley on home soil. Peterson started the scoring with Sibila and Shaw gaining points later in the game. Hurley scored in the closing minutes against the third team.

CENTRAL DOWNS CATHEDRAL

Rain could not stop the Vikings in the opening game as they downed Cathedral 20-0. Central received the kickoff and drove for a score in the opening minutes. Harter Peterson scored again on a beautiful 80 yard run in the second quarter. Bob Norman tallied on an intercepted pass. Bottolfson kicked the extra points to make it 20-0.

CENTRAL-DENFELD PLAY SCORLESS GAME

Wade Bowl was the scene for the first home game of the season and a tough 60 minute battle that ended in a 0-0 tie. The Vikings stopped all of the Hunters scoring threats in the first three quarters and almost made a safety early in the fourth. In the fourth quarter the Vikings drove to the Hunter 26 yard line and lost their scoring opportunity by fumbling.

CENTRAL EDGES OUT ASHLAND

Central's fumble gave Ashland their score in the first quarter but the Vikings returned in the second as Corky Bradshaw went for a touchdown to make Central ahead 7-6. Central's line showed its power in the second half by holding Ashland from scoring four times by feet and inches.

Central launched a very successful season on November 22, with a thriller on our home floor against Duluth Central, which left the Vikings on the short end of the score by one point. For the next contest Central had the pleasure of being host to the Fort William High School which resulted with a victory and we repaid the visit to gain another triumph later in the season. The next seven games gave us two upsets and five wins. The team then took a weekend trip down to Eau Claire and La Crosse which left us with a loss and a win respectively. We defeated two of our previous defeaters by downing Morgan Park here and Duluth Central on their floor across the bay. The next contest resulted with our second win over our chief rival from East End. The last four teams crumbled at the feet of the Vikings to wind up the regular season on February 21, successfully with 14 wins and four losses. Central averaged 40 points per game to their opponents 33 which gave them a total of 801 to 660 for the season.

A GOOD SEASON

Central's tournament hopes went sky-high when our first opponent Park Falls fell beneath our guns 44-33. These hopes were short-lived, however, as Hurley took a nip and tuck battle featuring two over-time periods and the loss of our first string via the foul route. The game ended 37-33 with Hurley on top. Hurley went on to take tournament honors. Superior State Teachers College furnished the scene for the games and gave Superior the honor of having the W. I. A. A. tournament.

Girls Sports

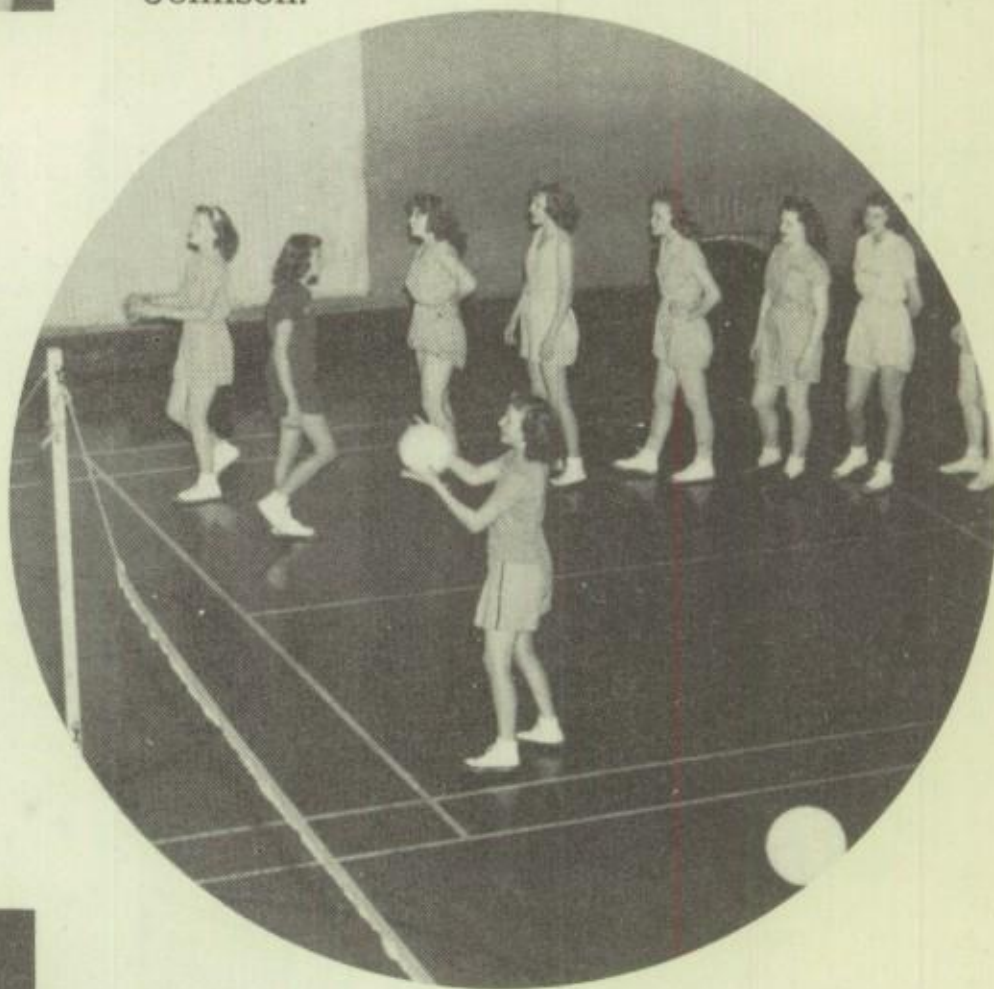

Miss Helen Munro and Mrs. Frances Juel have promoted an excellent record in sports in the girls' gym classes this year. Their program consisted of volleyball, basketball, softball, dancing, and many indoor activities such as ping pong, tennis, shuffle board and badminton. A special course in golfing was presented to all the classes by an expert golfer, Mr. Barney Carlson.

Of the nineteen teams entered, the junior class Kangaroos won first place. The Kangaroos were: Joanne Van Buskirk, captain; Marlen Peterson, Janice Ekholm, Lavonne Johnson, Dolores Ehmche, Barbara Swanson, Louise Countryman, and Beverly Swap. The freshman Indians, the runners-up included: Marion Countryman, captain; Joanne McCusher, Beverly McGinnis, Donna Mae Crist, Delores Sarri, Mary Ann Hill, and Charlene Johnson.

One of the most popular team sports at Central was, and always has been, volleyball.

Such interest was shown in the game that arrangements were made to have a volleyball tournament in the small gym at noon.

Yes, once again modern and folk dancing was taught in all the gym classes. Waltzes, fox trots, polkas, the schottische, and square dancing were thoroughly enjoyed by all the girls participating. The girls gained the necessary exercise, entertainment, grace and poise, all combined in one class.

The whistle blows, and the girls hurry to the shower room for their showers.

OUR GOOD NAME . . .

Our customers come to us again and again because they get the kind of printing they want, and at a price they believe just.

That, we think, is true service. It is a product of skill, excellent equipment, and an unanswering determination on our part to do things right. Our customers tell us of their appreciation.

When you have printing to do, you can expect this same degree of satisfaction, for we value our good name above all other considerations.
